Dear Mr. Helms:

It is my pleasure to inform you that a quota of four students has been allocated to the Central Intelligence Agency for the course of instruction at the National War College commencing in mid-August 1968.

The career civilians in the Central Intelligence Agency have added much to the wide variety of experience and future potential reflected in our highly selected student body. It has been a pleasure to have had them in the past and the College looks forward to having them in the next year's class. I am confident that the fine course at the National War College will be of great value to them and to our government during their years of service in the future.

I enclose a short guide concerning administrative details.

Sincerely,

A. J. GOODPASTER
Lieutenant General, U.S. Army
